F10. Mongolia is a party of the "Vienna Convention on Road Traffic" and therefore the country is not acknowledging the international driver's license issued by the "Geneva Convention on Road Traffic". But the self-driving In Mongolia is permitted even in case of the bearer of the international driver's license issued by the Geneva Convention on Road Traffic, when entering to Mongolia from exterior by driving.

F11. Therefore, the customer from a party of Geneva Convention on Road Traffic who desires to travel In Mongolia by self-driving, must surely select Irkutsk, Russia as the pick-up point of the rented vehicle, and in such case, prior consultation with the KoreaSUV must be certainly made before making the reservation of rental. If not, the reservation of vehicle with Irkutsk as pick-up point maybe by the authority of the Company.

F12. If the reservation for pick-up at Irkutsk is completed after the prior consultation, the customer must send to KoreaSUV via e-mail; the local hotel reservation certificate at Irkutsk, date and time of pick-up, address for pick-up and contact number. Then, the consigned transporter of KoreaSUV will transfer the vehicle to the customer at the place, date and time where the pick-up has been reserved.

F13. The customer must immediately enter to Mongolia with the consigned transporter after accepting the vehicle, and it is impossible to travel within Russia with the respective vehicle.

F14. There shall be included in the fee of the option of picking-up the vehicle at Irkutsk, the one-way transportation fee from Ulaanbaatar, Mongolia until the vehicle transference to the customer at Irkutsk, Russia.

One-way transportation fee to be charged : Wage & lodging expenses of consigned transporter, notarization fee of the written consent on vehicle use, fees for border crossing.
